

QUESTION: Do family members who are staying in Alaska need to be command sponsored? (i.e. can they shop at PX & the commissary?)

ANSWER: Extended family members cannot be command sponsored. Only dependents are command sponsored. To get approval for a family member to shop at the commissary and/or PX, the Soldier must submit an exception to policy to the Garrison Commander requesting permission for that family member to shop at the Commissary and/or PX. The request must include information on why this benefit is required. The letter should be submitted to the Garrison Admin Office in bldg 1555 (Mr. Garbett or Ms. Blum).
