

QUESTION: For a working spouse it is nearly impossible to get things taken care of during the "Army" workday. I tried to get DoD decals for our new car only to find out that the location and times for getting the decals have changed. How is a working spouse suppose to get decals, if the times are 0800-1200 and 1300-1630 at the Welcome Center?

ANSWER: The hours at the Welcome Center are 0800-1200 & 1300-1630

After hours persons can come to the Military Police Station to register vehicles.
