Re: Final Revision 1, 2007/2008/2009 Former Communications Site, Drum  
and Debris and PCB Investigation Report, Fort Wainwright, Alaska,  
January 2011

Dear Mr. Malen:

The Alaska Department of Environmental Conservation received the referenced final report. The report appears to acceptably document the results of multiple removals at the Former Communications Site, also known as Taku Gardens. This report will be kept on file to support the investigations for the site.

Sincerely,

Deb Caillouet  
Environmental Program Specialist
