

DIGITAL TOWN HALL

CSM Zettlemoyer, U.S. Army, Pacific Command Sergeant Major will be taking your questions for the 2nd Digital Town Hall. Those questions you have jotted down since the first Digital Town hall can now be answered.

How it works:

If you have a question about your installation, policies, Soldiers, Year of the NCO, Warrior Challenge, deployments, services, promotions, community or anything that involves work, you or your family as part of U.S. Army Pacific - please copy the bottom link and write your question in an email. Be sure to designate whether you require a private response. If not, your question and CSM's answer will be posted in the CSM Corner once all the answers are obtained. (Note- this may take up to a week or more). To see questions and answers from the last Digital Town Hall go to the USARPAC Internet site under CSM Corner:
