

# ID Cards

Renewal and Replacement

# Dependent ID Cards

There are three ways to  
replace an expired or  
damaged ID Card....

(Dependent ID Cards are renewed  
up to 30 days prior to expiration.)

**Sponsor may bring the dependent with all required documents to the ID Lab.**

**The dependent may bring in a valid power of attorney as well as all required documents to the ID Lab. A general power of attorney will be accepted and as well as a specific power of attorney for obtaining an ID card.**

**Sponsor signs 1172 at the ID Lab prior to dependent coming to get the new ID. The dependent will have 90 days from the date the 1172 was signed to bring all required documents to the ID Lab and receive their new ID Card.**

# Lost or stolen ID Cards

In addition the following items are **also** required to replace a **lost or stolen** ID card.

- ❑ Completed MP Report
- ❑ If the sponsor is E-1 to E-6 CG directed counseling signed by 1SG or Commander. (The counseling packet is available at the ID Card Lab.)
