

Fort Wainwright, along with all other Army installations, faces the potential for budget cuts which could affect the programs and services we offer. The national economy, as well as the Army's new fiscal reality, will likely present many challenges for us. As leaders at all levels review programs and services the Army offers, it is critical that you have a voice in the decision-making process. By providing your feedback you will help us tell the Fort Wainwright story.

Rate each program or services according to the below STAR scale.

Leave the question blank if you do not have experience with the program or have no basis to judge.
