SUBJECT: Curfew for Juveniles (Garrison Policy #33)

d. Enforcement:

(1) First Offense: A juvenile violating curfew on Fort Wainwright will be taken to the Fort Wainwright Police Station where his/her parents will be notified and requested to take control of the juvenile. A police report will be generated to document the offense and will be entered in the blotter.

(2) Subsequent Offense: Subsequent curfew violations may provide evidence of misconduct on the part of the sponsors and their Family members who reside in quarters on post. Subsequent violations may be addressed through the Family Member Review Board or a Soldier may receive a show cause memorandum from the Garrison Commander's Office, which will require the Soldier to explain to the Garrison Commander why the Soldier and his/her Family should be allowed to continue to reside on post.

(3) Unescorted non-dependent juveniles will not be allowed on-post during curfew hours. Only authorized sponsors in possession of a DoD ID card may escort non-dependent juveniles through the access control points. Authorized sponsors for juveniles that are non-dependent are parent, legal guardian or appointed authorized adult. Non-dependent juveniles that are not with the aforementioned and or seem to be in distress will be detained with the adult and a patrol will be contacted to verify authorized access.

(4) Parental permission for non-dependent juvenile may be granted in writing for a specific situation or need. This authorization will be from the non-dependent juvenile parent, hand written, signed and have a phone number where the parent can be reached to verify permission. Without this information and contact, access will be denied and a patrol will be contacted. Pre-approval can be made by the parent through the Visitor Center for the non-dependent juvenile to have access with an authorized ID card holder for up to seven (7) days to include curfew hours.

4. The chain of command will vigorously enforce this policy in all locations on the installation.
5. This policy supersedes Garrison Policy #33, SAB, dated 1 December 2015.
